ESSENTIALS OF EM
Our evolution continues. Essentials of Emergency Medicine has long been the most innovative name in medical education. Our often emulated implementation of the 5, 10, and 15 minute lecture is perfect for short attention spans. This year we made your bonus CME dead simple to utilize and enjoy by delivering it in manageable chunks throughout the year. We have an all new conference topic list that builds upon last year’s epic event and takes it to the next level to improve your practice. Whether you come live or purchase the digital package, join us and see for yourself why we say “it’s more than education”. The EEM 2016 conference will raise the bar on how a medical conference should look and feel.

ARTISTS IN RESIDENCE

SHANNON DONNELLY and SCOTT MESKILL

The two artists began collaborating three years ago as an exercise in creative exploration. Their partnership took root with expressive acrylic on canvas paintings mounted in one-of-a-kind hand-made frames. The paintings are beautiful compromises shaped by the artists’ private internal dialogues. The works are dream-like and evocative: rich, mystical, and layered, both sensual and dark, with splashes of buoyant color contrasting with deep twilight blues.
EDUCATIONAL OBJECTIVES

Upon completion of the “15th Annual Essentials of Emergency Medicine - 2016” program, participants will be able to:

• Incorporate up-to-date literature in the practice of Emergency Medicine.
• Discuss controversies in Emergency Medicine.
• Modify practice using evidence to update patient management strategies.
• Improve patient safety by developing an evidence-based approach to patient care.

ACCREDITATION

Hippo Education, Inc. is accredited by the Accreditation Council of Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Hippo Education designates this live activity for a maximum of 22.0 AMA PRA Category 1 Credit™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

CME credit by the American Academy of Family Physicians (AAFP) is pending, and is expected to be available. See essentialsofem.com for updates.

NOTE TO CANADIANS:
AAFP has a reciprocal arrangement with the College of Family Physicians of Canada (CFPC). AAFP credit for live CME activities is generally accepted by CFPC as Mainpro M1 credit. Please contact CFPC for more details.

DISCLOSURES AND RESOLUTION OF CONFLICTS OF INTEREST:

Hippo Education, Inc. has planned and implemented this activity in accordance with the Essential Areas and Elements (including the Standards for Commercial Support) and Accreditation Policies set forth by the ACCME. A full disclosure of relevant financial relationships with commercial interests is required of all individuals with control over CME content. A commercial interest is defined as, “any entity producing, marketing, reselling, or distributing health care goods or services consumed by, or used on, patients.” The ACCME does not consider providers of clinical service directly to patients to be commercial interests. All relevant relationships have been reviewed by the Hippo Education CME Committee and any conflicts of interest have been managed in advance of this activity.
